Our Selection of Featured Wines

Crios (by Susan Balbo), Torrontés, Argentina '14 33.

Enticing aromas that are strikingly similar to Viognier, with hints of peach pit, white pear, flowers, and orange citrus fruit. On the palate, it has beautiful structure and acidity similar to Sauvignon Blanc, along with enticing fruit flavors and plenty of body for a wine that shows such delicate aromas and flavors. Fruity, floral and yet still quite dry, this wine has to be tasted to be believed! Best enjoyed in its youth either by itself, or as a wonderful partner with smoked meats, mild to medium-strong cheeses, and seafood.

Királyudvar, Furmint, Sec, Tokaji, Hungary '12 42.

Sexy, inviting aromas of mirabelle, orange peel, green melon, lime, pine nuts, chamomile, herbs, flowers, white pepper and flinty minerality. Very subtle and pure on the palate, with a bracing quality to the intense flavors of citrus peel, spices, minerals and white pepper. This wine delivers an impression of concentration and serious palate presence without weight. Really perfumes the mouth on the bright, firm-edged, long finish.

Huber, Zweigelt, Austria '09 35.

Zweigelt is a red wine grape variety developed in 1922 at the Federal Institute for Viticulture and Pomology at Klosterneuburg Austria by Fritz Zweigelt. It was a crossing of St. Laurent and Blaufränkisch grapes. It is now the most widely grown red grape variety in Austria. Fully ripe sour cherries on the nose, fruit forward, compact on the palate with fine tannins. A mouthful of red berries and prunes echoed by minty tones. Pairs well with any kind of red meat, pasta or pork.

Sharecropper's (by Owen Roe), Cabernet Sauvignon, Columbia Valley, WA '12 35.

This stellar Cabernet Sauvignon, which hails from Washington's Columbia Valley, was born out of the 2001 recession, when winemaker David O'Reilly and Washington farmers had to work out a partnership that harkened back to the days of sharecropping, where profits were distributed once the wines were made and sold. This wonderful Cabernet Sauvignon is full of bright red plums and raspberries with notes of earth and spice, and shows what many are missing out on by only drinking California Cabs. Drink this with beef, pork loin, ribs or brisket!
